

Long Sleeve Glove

Confident full cover hand & arm protection

Product Code: 41380, 41480, 41580, 41680

The Long Sleeve Gloves are a unique fusion of a 15 mil nitrile lined EVS glove that adheres to a 4 mil protective sleeve with an elasticated cuff.

Having an overall length of 28 inches, these gloves provide complete durable hand and arm protection.

The gloves are comfortable, flexible, and lightweight, while the elasticated cuff on the sleeve inhibits slippage of the sleeve from the upper arm.

The gloves are latex free, designed for one-day use, sold in pairs, are resistant to a broad range of hazardous chemicals.

Packed in boxes of 50 pairs, the gloves are available in four sizes - small, medium, large & extra large
